One hundred years after falling asleep, Princess Aurora wakes up to the kiss of a handsome prince and a broken kingdom that has been dreaming of her return. All the books say that she should be living happily ever after. But as Aurora understands all too well, the truth is nothing like the fairy tale. Her family is long dead. Her true love is a kind stranger. And her whole life has been planned out by political foes while she slept. Everyone expects Aurora to marry her betrothed and restore magic and peace to the kingdom before revolution tears it apart. But after a lifetime spent locked in a tower for her own safety, Aurora longs for the freedom to make her own choices. When she meets a handsome rebel, she is tempted to abandon everything for a different kind of life. As Aurora struggles to make sense of her new world, she begins to fear that the curse has left its mark on her, a fiery and dangerous thing that might be as wicked as the witch who once ensnared her. With her wedding day drawing near, Aurora must make the ultimate decision on how to save her kingdom: marry the prince or run. A Wicked Thing is a surprising, spellbinding reimagining of what happens after happily ever after. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
