Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A lot of things happen in all our lives every day, some we tend to notice and some we ignore. Many a time, there are a few experiences or moments that touch our hearts. They make us laugh, make us cry, or just make us realize that we need to improvise on our inner selves. Every time I come across such a situation, I tend to write. This book is an illustration of a few such writings, which were a product of various thought-provoking situations that I encountered. A collection of lessons and a compilation of reflection. A blend of kinship, friendship, love, and affection.
