

The Doctor's Communication Handbook

By Dr. Peter Tate, Elizabeth Tate

Taylor Francis Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 7th Revised edition. 232 x 154 mm. Language: English . Brand New Book. Highly Commended, BMA Medical Book Awards 2015 This bestselling guide has established itself as the ultimate guide to patient communication for all doctors, whatever their experience and wherever they practice. As patients become participants, doctors are increasingly adjusting to new roles and forms of communication - from orators and governors to confidants and interpreters. The Seventh Edition of The Doctor's Communication Handbook directly tackles the latest developments in an entirely new communication chapter. Highly respected by many and acclaimed for its light, conversational tone, this completely updated and expanded reference remains a key text for doctors at all levels and in all settings. It has proven invaluable to all medical students, particularly candidates sitting the Membership of the Royal College of General Practitioners. Previous generations doled out knowledge to patients in carefully titrated doses, but withheld enough information to retain power of influence. You cannot do that. In 2014-15, as soon as an individual or a member of their family experiences a major health event, someone in that circle will seek out information, usually by means...
