THE RUTHLESSGOLF.COM SHORT GAME PACK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.When Mike Southern first developed the Quick Guides, his goal was to provide short, complete lessons on a single subject that anyone could afford. And his readers responded, usually buying more than one of the titles with each purchase. Now, based on his readers feedback, he has created packs that combine two complementary Quick Guides, based on some of the most frequently-purchased combos, at an even greater savings over the individual book prices. The Short Game Pack begins with Accurate Iron Play, which will teach you the basics of hitting approach shots with every iron in your bag. You ll also learn the basics of hitting your wedges close, as well as how to control the distance and trajectory of your shots. Paired with it is with The Putt Whisperer. While Mike recommends his original book Ruthless Putting for most players, The Putt Whisperer was written for players changing over from anchored putters. Its technical explanation of putting mechanics is for players building a stroke from scratch. The Short Game Pack will teach you the mechanics of shotmaking, so you can hit every club in your bag. and how to build a brand new putting stroke from scratch, so you can capitalize on those new birdie opportunities.
