Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. it absolutely was writtern really perfectly and useful. I am just very happy to tell you that this is basically the finest publication i actually have study during my personal daily life and may be he finest ebook for ever.

(Miss Lavonne Grady II)

CPLDFPGA [PAPERBACK]

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback Pages Number: 164 Language: Simplified Chinese. Publisher: Electronic Industry Press; 1st edition (November 1. 2011). CPLDFPGA technology of teaching, learning, practicing integrated teaching model to improve the practical engineering proficiency for the purpose of knowledge of the basic knowledge of the EDA technology and VHDL hardware description language, programmable logic devices, and development of software applications to run through a number of actual cases. learning can be a preliminary understanding and mastery of the reader by the CPLDFPGA technology The basic content of the EDA and practical techniques. The book is divided into six learning projects. Learning project through the design of the decoder, a brief introduction the basic knowledge of the EDA technology, the schematic entry method and circuit design process; learning Item 2 of the frequency meter design, the programmable logic device (CPLD and FPGA) chip structure, working principle and hierarchical schematic circuit diagram input method; learning project through the design and application of data selection, VHDL hardware description language program, the basic structure of the text method of circuit design software processes; learning projects 4 to 6 by The full adder circuit module design, registers, counters, etc., describing the VHDL syntax and programming skills. The CPLDFPGA technology with free e-learning courseware, practice questions refer to the link URL of the answers and excellent course, see Introduction. Four Satisfaction guaranteed, or money back.
