Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.
(Kristy Dicki)

ZOMBIES LOVE BRAINS (PAPERBACK)

Pictish Beast Publications, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.
Zombies Love Brains is a salutary tale for young readers, aged 3 and older, which explains that becoming a zombie is no reason to be impolite to others and take things that don t belong to you without asking. With words by Colin M. Drysdale, more wdely known for his post-apocalyptic survival novels for older readers, and lovingly illustrated by Mike Kloran in his own unique style, this unconventional children s book is likely to become a cult classic with both parents and children alike.
