Brand New Book ***** Print on Demand *****.Excerpt from The Life of John, Cardinal McCloskey, First Prince of the Church in America, 1810-1885 It is now almost twenty years since I published the initial chapters of this Life of John Cardinal McCloskey. Shortly after his death in 1885, I began a biography of America s first Prince of the Church, but it was not until 1899, that a brief account of his life up to his return from Rome in 1837, appeared in the Historical Records and Studies. Since that time the increasing demands of official life have left me very little leisure for the work. When I wrote the article on Cardinal McCloskey for the Catholic Encyclopedia, I then determined to complete the biography, which I had always had in mind to publish, and so it was with great pleasure that I was enabled during the past two years to resume my studies for this volume. From 1872 to 1884, I was Cardinal McCloskey s Secretary. During those twelve years it was my custom to write down with as little delay as possible all our conversations regarding his own personal history. Much that has entered into this biography has been taken from my diaries of that time. Cardinal McCloskey s own letters and diaries, meagre as they are in autobiography, have also been used.
