

Learning to Survive Infinity (Paperback)

By Steven J Bingel

AUTHORHOUSE, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Some things are like this and our attempts to scrutinize only make the obscurity worse. For those of us always on this edge is where we function best. Chaos, erratic behavior, it all adds fuel to the fire. Makes us keep chasing the elusive answer, always there, right on the tip of your tongue. Like a familiar face sharing some space on a crowded subway in Manhattan while visiting your daughter, you nod your head, smile and say how you been?, hoping that the face will divulge who he is so you won t feel terrible because he remembered you, but you can t remember his name. Like the human psyche going through a mid-life crisis, where the divergence of two opposing behaviors causes one to have a nervous breakdown, quantum physics seeks to lie on the outskirts of our imagination. The outskirts are it s perturbation point as referred to by physicists. The place where we barely are cognizant of it s existence. Like our unconscious mind, small glimpses appear fleetingly that titillate our conscious mind. They may appear in a Jungian...
