Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Prologue We have all heard the axiom that the longest journey begins with the first step; I believe it is begins before that. I believe that when something matters to us a lot, we harbor a dream, so dare to dream. The dream fans a tiny flame, a pilot light that ignites hope. Hope springs to life when we begin to believe that there might be a way to accomplish the dream. Once we believe in the dream, we begin to realize that dream. You can start with nothing. And out of nothing, and out of no way, a way will be made - Michael Beckwith Introduction Mining the Mine is the fifth release in the Make It Mine series. This book goes beyond home decorating as it delves into the nuts and bolts of how to make all those projects happen! The common sense theory from the Make It Mine book continues here as we examine how to use what you have, to do what you can, where you are; creating an entirely new look on a minimal budget. It provides a wonderful, lighthearted approach to repurposing your furnishings and accessories and redecorating your home or apartment! Every home is a personal expression of the people who live there. Mundane into Magnificent guides you ever so subtly, as you delve into your family s lifestyle, helping you to decide exactly what you need from the space and what you really want to create in your home. Once you have determined your goal, this book will lead you effortlessly (almost!) to your objective. The book is filled with information on how to identify the features of each room,...
