Interlink Publishing Group, Inc, United States, 2001. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. The Traveller s History series is designed for travellers who want more historical background on the country they are visiting than can be found in a tour guide. Each volume offers a complete and authoritative history of the country from the earliest times up to the present. A Gazetteer cross-referenced to the main text pin-points the historical importance of sights and towns. Illustrated with maps and line drawings, this literate and lively series makes ideal before-you-go reading, and is just as handy tucked into suitcase or backpack. A Traveller s History of Canada gives a comprehensive survey of the country s past from the earliest times right through to the present. It begins with the first immigrants to arrive well over 15,000 years ago who traveled across a land bridge from Siberia to Alaska. It is brought fully up to date with a profile of modern Canada, its successes, present difficulties and a prognosis for the new millennium.
