

Red Star Over Jerusalem: Communist-Islamist-Arab Conquest Plans for Israel (Paperback)

By Nevin Gussack

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.During the Cold War, Israel was the target of sustained Soviet subversion and conquest efforts. The Soviets utilized their proxies amongst the Israeli Left, the Communist Party (Rakah), and the PLO to chip away at the fabric of the Israeli nationalist consensus. Meanwhile, the PLO built up a massive military force in Lebanon and a terrorist infrastructure in the Israeli-held territories in the West Bank. In the post-Cold War years, the PLO and other Palestinian terror groups continued their efforts to subvert Israel and encourage the Israeli Left in their efforts to appease the enemies of the Zionist state. Meanwhile, profit-hungry Israeli companies and naive political elites sought to engage Egypt, Iran, Red China, and other adversaries of the Jewish state. Lastly, author Nevin Gussack issues a brief list of recommendations for the Israeli state to confront the subversion plans of its enemies and disengage from economic relations with nations such as Red China.

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who statte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.

-- **Kaelyn Reichel**

A whole new e book with an all new point of view. It is one of the most incredible book i actually have go through. I am easily could possibly get a enjoyment of reading through a written book.
