SPORTS AND SOCIETY (PAPERBACK)

[DOWNLOAD PDF](#)

Heinemann Educational Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Sports and Society examines the role that sporting traditions have played in human society from primitive cultures to the present day. Did sports begin simply for practical reasons such as training soldiers for war, or do humans have a less practical need to play active, physical games? How have different sports migrated around the world, and what effect have new cultures had on these imports? Exciting and varied case studies are used throughout this book to illustrate issues and concepts.
