

The Late Teenage Years: From Seventeen to Adulthood (Paperback)

By Joan Schachter, Luis Rodriguez de La Sierra

KARNAC BOOKS, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. The problems which the individual has to deal with in adolescence are qualitatively different from those of childhood; they are related in particular to the adolescent's reaction/responses to the physical development of his/her sexual body, and the changing relationship to the parents and to the world in which he/she lives. We have to take into account the revival of infantile conflicts and the newly emerging sexual and aggressive urges and experiences, both of which have to be integrated by the adolescent so that a new equilibrium can be created. The adolescent finds himself in the very difficult position of having to make all these readjustments whilst he has to deal with the subsequent conflicts and anxieties. The earlier passionate mixture of love and hatred that characterizes the attachment and dependency on the parents must now be renounced until the adolescent reaches a point at which it is possible for him to confirm his own identity and find new love relationships. These must neither be based too much on repetition of previous early attachments, nor be entirely and exaggeratedly opposed to them. It goes without saying...

Reviews

This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50 % of your book. You won't sense monotony at any time of your own time (that's what catalogs are for relating to should you check with me).

-- **Mr. David Stanton Jr.**

This is an awesome publication I have at any time read. Of course, it is playful, still an interesting and amazing literature. You will like just how the author wrote this book.
