Fried Society Press, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Award-winning TV writer and filmmaker Casper Kelly brings his hilarious, absurdist, and dark vision to the page in this debut collection, perhaps the first with a horror host guiding you between the stories. Enter the mind of one of the seven dwarfs wrestling with his fevered sexual crush on Snow White. In another story, a cash-strapped elderly man in the future is quietly pressured to retire by having his brain put in a vat and live out the rest of his day in a virtual reality paradise. Sex Fantasies at Work follows an office drone who suspects he s always at work and his entire home life is merely implanted memories. Read what Charles Yu calls one of the funniest books I ve read in years, what Jack Pendarvis likened to Donald Barthelme by way of E.C. comics, and Joe Randazzo, the editor of The Onion, calls simply f***ing awesome.
