Lulu.com, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a story of the day The Minoan Civilization, the oldest in Europe, ended. We meet Pono, Athana, the three old men, Catalina and her donkey crew and the others as they lived, worked and tragically perished in the greatest explosion on Earth ever recorded, and where the legend of Atlantis was born. In one afternoon, a whole civilization disappeared. There were no tombstones or gravestones, nothing to mark their passing. This small story is a tribute to them. A wise man once said we live as long as we are remembered. There have been few societies more worth remembering.
