

The African Unconscious: Roots of Ancient Mysticism and Modern Psychology (Hardback)

Filesize: 5.97 MB

Reviews

Completely one of the best publication I actually have ever study. I really could comprehended almost everything out of this written e publication. Your daily life span will likely be change as soon as you total reading this publication.
(Prof. Adolph Wisoky)

THE AFRICAN UNCONSCIOUS: ROOTS OF ANCIENT MYSTICISM AND MODERN PSYCHOLOGY (HARDBACK)

DOWNLOAD

Cosimo, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What Bynum has accomplished in pulling together such a mammoth body of knowledge and research into one cogent volume and theme is remarkable. A contribution of this magnitude seldom comes once in a decade. -Linda James Myers, Ph.D., author of Understanding an Afrocentric World View The African Unconscious, originally published in 1999, is an Afro-centric look at human history based on archaeology, genetics, and the biospiritual roots of religion and science. Author Edward Bruce Bynum offers a captivating and controversial viewpoint on the roots of our human existence, positing that all humans at their deepest core are variations on the African template, creating a shared identity and collective unconscious in all. He looks at both phenotypical types and psychic structures that form and identify us as human beings. Ideal for humanistic and transpersonal psychologists and those interested in African American art and culture, The African Unconscious is a blend of modern and ancient psychology that provides a relevant backdrop to humanity and our daily life. I read with awe this passionate, brilliant, epic work. It is one of the most exhaustive and revealing studies of Black and human origins I have ever seen. -Lee S. Sannella, M.D., author of The Kundalini Experience The African Unconscious is indeed a daring work, and a unique contribution to African diasporic studies. It is a must for all students of human psychology. -Rowland O. Abiodun, author of Yoruba: Nine Centuries of African Art and Thought The scope of the author s knowledge is simply awesome, and that, coupled with his engaging writing style, makes not for an easy ready, but an adventuresome one. For those who entertain notions of collective unconscious and deep structure racial messages, I cannot...
