Booksurge Publishing, United States, 2007. Paperback. Condition: New. annotated edition. Language: English . Brand New Book ***** Print on Demand *****.Finally, a Simple Time-Tested Approach to Stock Investing! From the Desk of John R. Reizner: A Way to Wealth: The Art of Investing in Common Stocks is the essential guide to profiting in stocks and mutual funds over time (even during a bear market!). Beginners and seasoned investors alike may benefit from the time-tested method of successful investing described in my book. A Way to Wealth may help you better understand how: To select, buy and sell stocks and mutual funds; To potentially profit in bear markets and successfully navigate challenging economic times; To manage risk and potentially multiply original investments several times over; To avoid high-cost investment management fees; and To gain financial freedom over time. A Way to Wealth describes an easy-to-understand stock investing technique that represents my best stock market knowledge garnered from over thirty years of investing. I achieved gains of up to 200 , 600 and 700 in select stocks over a period of years while utilizing my simple two-step method. Those who are interested in finding financial freedom over the long haul may study, employ and potentially benefit from the stocks technique and the many annotated charts portrayed in my book. A Way to Wealth is not a get-rich-quick or stock trading manual. Rather the book demonstrates the value of patient investing in order to potentially build real wealth over time through both bull and bear markets. I developed my sober, yet unconventional approach to investing by studying and learning from the behavior of masters such as Warren Buffett and the late John Templeton; then testing my method over time with my own funds. I succeeded in multiplying many of my original investments several times...
