Not illustrated. 1890 Excerpt: the principle of individualism, or anarchy, where government is unknown because unnecessary; where every man is his own policeman, clubbing himself over the head whenever he does wrong and continuously taking himself into custody. Another assures me that he has found the great principle in mutual banking and an unlimited supply of paper tendollar pieces. When every man has a pocket full of bank stock, Utopia becomes a geographical fact. When we can draw on the bank for whatever amount we need by simply depositing a philosopher s stone i/n the safe, perpetual motion becomes a crystallized reality. I have a friend, an editor of a newspaper, who writes me that he has found perpetual motion in a graduated income tax by which every man is to be fined in proportion to his prosperity, the fines to go to the unprosperous. He does not know that this was one of the resources of the French Republic, a hundred years ago, by which equality was to be established among all the people.-. im, the inventor, is not alone in his theories of perpetual motion. He has the company of hundreds, who believe that they have solved the riddle of ages, and that their special inventions, if they can only get them patented, will bring the millennium in. I HAIL it as a healthy sign that the political unrest created by the Labor agitation has weakened the division-wall between capital and labor in Chicago; and let us hope...
