

Cockpit Companion (Paperback)

By Basil Mosenthal

Fernhurst Books Limited, United Kingdom, 2015. Paperback. Condition: New. 2nd New edition. Language: English . Brand New Book. This is a compact and handy summary of all the skipper and crew need to know - or find out quickly - when cruising. It covers everything from lights, shapes and sound signals to knots, ropes and engine troubleshooting (and much more). With diagrams and illustrations throughout, this quick reference guide will help to keep you safe when out at sea. Re-designed and thoroughly updated, this second edition contains the most up-to-date information in an easy-to-understand format - ideal for those moments when you need an answer, and you need it fast! It's also splash-proof, making it the perfect reference guide to keep onboard. Chapters on safety and distress calls will put everyone's minds at rest, and sections covering seamanship and ropework will ensure all onboard understand what is going on, and are able to give a helping hand.

Reviews

This is an awesome publication i have at any time read. Of course, it is play, still an interesting and amazing literature. You will like just how the author write this book.

-- **Prof. Herta Mann**

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Augustine Pfannerstill**
