Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The second book in the Serafino Series, Talons and Tempests continues on into the war against the Soul Eaters. Warren Serafino has his hands full trying to protect humans against the oncoming threat of the Soul Eaters, his family is barely holding together with his brother at death's door, and the distraction of one Hailey Phyllips, M.D. is the last thing he needs. Yet, he swore his protection over her and he seems to be in need of a doctor. When he discovers her strange ability to summon violent weather, the bargain seems like an easy one. He offers to help her learn to control her new ability in exchange for saving his brother's life. He might even get her as a new weapon against the Soul Eaters. He is about to get much more than he bargained for, and it is a good thing too as the demonic activity going on topside is at an all-time high. He will need Hailey's abilities in the coming fight, but his desire for her might drive away the only chance at preventing the oncoming storm.
