HarperCollins Publishers Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. The stand-alone sequel to *The Doldrums*, which the *New York Times* called a dreamy charmer of a book, is a second tour-de-force by author-illustrator Nicholas Gannon. It brims with the spirit of exploration and celebrates the bond of friendship. The exquisite package features Gannon's distinctive full-color art throughout, as well as black-and-white spot illustrations. *The Doldrums and the Helmsley Curse* is a timeless tale and a beautiful gift for a young reader. Archer Helmsley's grandparents--famous explorers who went missing on an iceberg two years ago--are finally coming home. Archer is overjoyed, but he may be the only one. Rumors are flying that Archer's grandparents were never really abandoned on the iceberg; that they're making it all up. Archer knows that the rumors are false. With his best friends, Oliver and Adelaide, and their new neighbor, Kana, Archer sets out during a snowstorm to rescue his grandparents' reputation. In the tradition of Roald Dahl, Lemony Snicket, and Brian Selznick, Nicholas Gannon's wildly imaginative world of *The Doldrums and the Helmsley Curse* is packed with sly humor, an undeniably charming cast of characters, and the thrill of discovering secrets and adventures right in your own backyard. With approximately twenty pieces of full-color artwork, as well as black-and-white spot illustrations, and deft, literary writing, Nicholas Gannon once again creates a fully realized world and a story to sink into and explore.
