During puberty years, the brain is like a sponge absorbing everything within viewing and hearing distance. Some of us can adapt as time changes while others cannot. Some are fortunate to have stronger brains to overcome problems and not be defeated with these obstacles. Roberto was born on January 5, 1942 in the town of Sabana Grande, Puerto Rico in the sector La Playita. Several years later his mother decided to migrate to the United States and left him under the care of his grandmother. When his mother returned to Puerto Rico, she decided to take him to the United States with her, where Roberto spent his youth. He attended public school until seventh grade. At 17-years-old, he married Leonilda Alicea. From this union, two children came forth. He served in the U.S. Army for eight years being honorably discharged. He moved back to Puerto Rico with his family. In Puerto Rico through a G.E.D. program, he succeeded in acquiring his high school diploma. He has written three books.
