Rizzoli Universe Int. Pub Mrz 2014, 2014. Buch. Condition: Neu. Neuware - This style bible is a chic and sexy look at the myriad possibilities of blue jeans, the classic and ever-evolving fashion essential. Blue jeans are an iconic part of American culture. And, like the American dream, denim is constantly reinventing itself. A Denim Story showcases timeless images of blue jean style. Featuring such icons as Marilyn Monroe, Patti Smith, Jane Birkin, and Kate Moss, as well as dreamy inspiration boards from the authors' own work, this volume is full of ideas and inspirations. A pair of jeans always makes a statement, whether they are tight and purposeful or loose and frayed. Blue jeans can embody dreamy, girlish innocence or the best of boyishness, as when worn two sizes too big, low on the hips, and rolled up at the ankle. A Denim Story takes us on a journey through the most stylish looks of Americana culture, from the cutoffs and rolled-up cuffs of carefree summertime days to the simple ruggedness of overalls in the countryside, and from the rebelliously ripped jeans of rock 'n' roll to that beloved pair of faded and patched blue jeans we will never throw away. Denim is the material of independence and self-expression, timelessly cool, boasting an authenticity and function that transcend trends and is always sexy. Exquisitely curated by Current, Elliott, and Walsh, A Denim Story is a visual love song to blue jeans, sure to seduce everyone who picks it up. 159 pp. Englisch.
