Perfect Home Remedies (Diabetes): Diabetes (Paperback)

By MR Ram Babu Sao

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An estimated 422 million adults is living with diabetes. Diabetes can strike anyone, from any walk of life. Today, diabetes claims the life of 1 person every 3 minutes. To understand diabetes, first you need to understand the role of insulin in your body. When you eat, your body turns food into sugars, or glucose. At that point, your pancreas is supposed to release insulin. Insulin serves as a key to open your cells, to allow the glucose to enter, and allow you to use the glucose for energy. But during the course of living life, this system sometimes does not work and cause diabetes. Several major things can go wrong causing the onset of diabetes. Insulin opens your cells to allow the glucose to enter and to use the glucose for energy. Without production of insulin in the body, there are blood sugars. Lack of insulin does result the body's cells starving from the lack of glucose. And, if left untreated, the high level of blood sugar can damage eyes, kidneys, nerves, and the heart, and can also lead to...
