Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Second Adventism, in the Light of Jewish History The Author left, at the time of his decease, two works in manuscript, on the much agitated subject of Second Adventism, probably designing to publish the smaller first (which is a sort of synopsis of the larger), as a means of determining whether it would be expedient to follow it with the larger. Both of these having been placed in the hands of the Editor for examination and revision, it has seemed best, on a careful comparison, to lay before the public the following treatise, composed of the greater part of the larger work, and some portions of the smaller that served to render the former more complete.
