Date :2011-4-1. Specifically, the set of books has the following characteristics: First, the synchronous interface, the theme selected by the text content, or reading materials. Existing language teaching materials, text within each cell are intrinsically linked. Some units are the same selection, and some units are subject similar. We choose the time of reading materials, but also try to take into account these two points, with the simultaneous convergence of materials, both to consolidate the knowledge they migrate to extra-curricular classroom to enrich students' knowledge. Second, the lessons focus on learning combined with the enumeration in the test to set questions, questions concise. To develop any skill, requires repeated practice, like a sports exercise the same. However, training should stress quality, rather than infinitely greater mechanical exercise. Therefore, we carefully analyzed the textbooks for the knowledge points and test sites, according to the required grade teaching and learning into the difficulty level of each year to build a knowledge point and the distribution of the test center chart, and charts based...
