CADENCE TO GLORY: A NOVEL OF THE AMERICAN REVOLUTION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The year is 1773, and rumors of revolution abound. The return of the wealthy Eton family to Williamsburg, Virginia, however, briefly distracts the town's elite. The youngest Eton son, Thomas, thus reunites with Priscilla Parr, his childhood friend and the now-cynical daughter of a proud Loyalist family. Thomas learns to admire her scathing wit while Priscilla finds herself drawn to his ambitious idealism. He soon introduces her to the radical principles of liberty, the fuel of the colonial rebellion. On the eve of Revolution, however, fate turns against the young lovers, whose families are politically opposed. As the ideological forces within her own home begin to parallel the clash between Britain and the Colonies, Priscilla is unexpectedly faced with a dangerous decision between two rivaling ideals - and destinies. Set against a backdrop of intrigue, espionage, treachery, and romance, Cadence to Glory thus chronicles the deepening schism within the Parr family. By exploring the ancient conflicts between youth and age, conviction and neutrality, self-interest and principle, the novel speculates that liberty itself is as natural and inevitable as the coming of age.
